McVey will give a reception to the members of the Association at their home, Maxwell Place, University of Kentucky Campus.

At twelve o'clock, Friday noon, the members of the Association will be taken on an Historical Pilgrimage to Shakertown, where a subscription luncheon will be served. ## RAILROAD RATES

*Very Important—Read Carefully*

Suggested advice to members of the organizations respecting the reduction authorization on the certificate plan for the benefit of members and dependent members of their families.

A reduction of one-half of the return fare, on the certificate plan, will apply to members (and to dependent members of their families) attending the meeting of the Mississippi Valley Historical Association, the Kentucky Academy of Social Sciences and the Kentucky State Historical Society in Lexington, Ky., April 30 to May 2. This arrangement will include the territory covered by the Central, Trunk Line, Southeastern, Western, and Southwestern Passenger Association.

The following directions are submitted for your guidance:

1. Tickets at the regular one-way tariff fares *for the going journey* may be obtained on any of the following dates (but not on any other date): April 27, May 2, inclusive.\* Be sure that when purchasing going ticket you request a CERTIFICATE. Do not make the mistake of asking for a "Receipt."

2. Certificates are not kept at all stations. If you inquire at your home station, you can ascertain whether certificates or through tickets can be there obtained to place of meeting. If not obtainable at your home station, the agent if requested will inform you at what station they can be obtained. You can in such case purchase a local ticket to the station which has certificates in stock, at which latter station you can purchase a through ticket *and at the same time ask for and obtain a certificate* to be presented at the place of meeting.

3. Immediately upon arrival at Lexington present your certificate at the registration desk. Arrangements have been made for validation of certificates by a Special Agent of the carriers at Hotel Lafayette if the minimum number of 150 certificates is presented.

4. If the necessary minimum of 150 certificates is presented, you will be entitled to a return ticket via the same route over which you made the going journey, of one-half of the regular one-way tariff fare.

5. Obtain a certificate even if you are traveling only a short distance. It will help the delegate coming a long way to secure the reduced fare.

6. Validation dates, April 30, May 2, inclusive. Last honoring date May 6th.

---

\*The dates are a day or two earlier in the most distant states. Inquire of your local agent.

## PROGRAM

All sessions will be held in the Lafayette Hotel unless otherwise indicated. Papers are limited to twenty minutes, and discussions to ten minutes.

The chairman of the program committee requests all who are on the program to prepare three abstracts of their respective papers and bring the same to Lexington.
